

PGCE Secondary Drama Knowledge Audit

1. Please outline areas of theatre practice that you are interested in and would feel confident to teach in the classroom. This might include specific skills such as stage combat, interest in particular practitioners or theatrical styles.

2. What experience do you have of explorative strategies used in school drama? (E.g. role-on-the-wall, hotseating and freeze-frames). Please give examples of how they were used.

3. If you offered an extra-curricular drama club in your school what would be the focus? (*E.g. Puppetry, devising, dance, performing a play...*)

4. What gaps in your subject knowledge would you like to gain experience in? (E.g. A particular practitioner or a playwright or theatrical style that you have not had the chance to study but you are aware is often taught in school drama)

5. Please outline any additional experience you have which you feel is relevant to teaching Drama. This could include formal education, performance experience, work experience.
