

University of
Roehampton
London

CHINA

The University of Roehampton has one of the most diverse international student populations among its peers with representatives from over 140 countries around the world. Of the 10,000 total students, approximately 13% are identified as international students. The University warmly welcomes a healthy cohort of Chinese students each year.

TESTIMONIAL:

For me I think it is easy to make friends because there are good opportunities to meet people from different countries and they are really kind. If you like to talk, it's easy to make friends. You can talk about history and culture, something everybody is interested in.

Daniel previously studied at [Beijing Dance University](#).
