

Master of Philosophy (MPhil) and Doctor of Philosophy (MPhil/PhD), and PhD by Published Works

Applicants are encouraged to contact a relevant member of academic staff for an informal discussion about their proposed research topic and eligibility. Please search for a potential supervisor via the Research Centres in Academic Departments, detailed on our website, or via the Department's Research Degrees Convenor (RDC).

<https://www.roehampton.ac.uk/graduate-school/degrees/>

If you need assistance or advice about departments, please contact the Graduate School using the following email address: pgresearch@roehampton.ac.uk.

Completing the Online Application Form

Applications are made through the [online portal](#).

Please select 'Postgraduate Research' under the intended level of study.
Please select when you would like to start

Choose your preferred entry point, January, October or April noting that the closing date for receipt of applications for October entry is 30th June, for January is 30th September and for April is 20th December.

The following information **must** be included within the appropriate section of the application form to enable it to be reviewed in the Graduate School and considered by the Department:

Section 1: Programme Details

- Please select which research degree programme you wish to study:
 - MPhil / PhD
 - PhD by Published Works
 - Professional Doctorate in Psychology
- Please select the Department in which you wish to complete your study
- Please provide the name of the member of staff you have discussed your proposal with. This will help us to ensure it is forwarded to the correct person.
- Please indicate whether you wish to be full time* or part time**.

**Full time students have up to four years to complete their degree. Full time students are required to fully commit to their research degrees and should not take on employment for more than 6 hours per week for 45 weeks of the year. **Part time students have up to seven years to complete their degree.*

Part time research degree students are expected to commit to an average of between 20 and 30 hours of study per week for 45 weeks per academic year. A part-time student may undertake paid employment which does not conflict with this requirement.

- Confirm whether you have previously studied at the University of Roehampton

Section 2: Personal Details

- Please complete **all the details requested** in this section.
- NOTE: The name which you give will be that under which you are registered with the University and will be the name that will appear on your degree certificate. It needs to be your name as detailed on your passport.
- NOTE: The permanent home address will be that retained on your student file and will be used for all correspondence unless you provide an alternative address.
- Please provide details of your residency over the last three years – this will be used to determine your fee status. To qualify for Home/EU fees, a student needs to be ordinarily resident in the UK or EU for three years and their main purpose for that residency must *not* be for full-time education. Please see the [UK Council for International Student Affairs](#) website.
- Please detail your ethnicity - we are required to report to the UK Government on the ethnic mix of our student population.
- If you would like to, please disclose whether you have a disability. Should you be offered a place, this will allow us to notify the Disability Support team.
- Please answer the question about Criminal Convictions
- Nominated Contact – if there is a third party that you'd like us to be able to discuss your application with please detail them here.
- Agency details – if you are applying with the assistance of an agent please tell us who they are. *Agencies applying on behalf of an applicant must provide the applicant's email address and confirm there has been contact with a member of academic staff.*

Section 3: Previous Education

- Please tell us what type of institution you last studied at (ie University, College).
- If you are an EU or International student and completed an English Language Tests, please provide us which type of test you took and *provide evidence of the results achieved*. Please refer to the University of Roehampton website for more information regarding [minimum standards of English](#). **IELTS is the required qualification for Research applicants, and you may be asked to pass this examination before an offer can be made.**

Section 4: Academic Qualifications

- Please list your academic qualifications and provide supporting documentary evidence.

Section 5: Employment and Work Experience

- Please tell us if you have any work experience relevant to your proposed area of study and *include a copy of your CV.*

Section 6: Personal Statement

- Please prepare a brief personal statement about your application.

Section 7: Research proposal

- Please upload a separate document outlining your intended research.
- Please structure your proposal as follows:
 - Title of your research project
 - Scope of the Proposed Research (300-500 words long)
 - a non-technical (lay-person) summary of your proposed research
 - a description of the broad subject area of your project, including its relation to other work in the field
 - the aims and objectives of your proposed research
 - an outline of any hypotheses or research questions which will be addressed
 - a brief, indicative bibliography
 - Research Methodology and Design (300-500 words long)
 - an indication of the proposed methods to be used in the research (including the gathering and analysing and/or interpretation of data/information)
 - the reasons for selecting these methods given your proposed subject area
 - provisional timetable of the work through to the submission of the completed thesis, including, if relevant, the dates and expected length of any fieldwork to be undertaken abroad
 - Training, Facilities and Resources (300-500 words long)
 - Please indicate any specialist training, including taught research methods programmes, and other resources necessary for the research (e.g., laboratory space, computing facilities, specialist Library access). Please note that all MPhil/PhD students will be required to complete the University's Research Student Development Programme as part of their research programme.

If you are applying for PhD by Published Works:

You should use the Research Proposal section to explain the academic context of your publications and how they can be regarded as a coherent body of work meriting the award of a PhD. You need to provide enough detailed information to ensure that the Department can assess the viability of your project. You should provide some samples of your work for review,

and may be asked to provide further examples once your application has been looked at. These could be uploaded as supporting documents. An Application Fee of £572.00 is payable via the University's Online Store. This covers assessment and review of your submitted publications.

Section 8: References

- Please upload a current, relevant reference related to this application. References older than 6 months cannot be accepted.
- Please note that unless you are a recent graduate of Roehampton University, you will be expected to provide at least one external academic referee who will be able to comment upon your academic ability and suitability to undertake the proposed research. Also note that references from proposed/intended supervisors at the University will not be permitted.
- You may be asked to provide a further reference, or your referee may be contacted by the University.

Section 9: Funding

- Please state how you intend to fund your studies.
- The majority of our students are self-funded and the University wishes to ensure its applicants are aware of the costs involved in undertaking a research programme to completion. The [current tuition fee rates](#) are available online.
- If you intend to apply for any funding towards your programme of study, please state this and if necessary, upload details to the Additional Information section.
- Please state how your fees will be paid if you are not in receipt of sponsorship or a scholarship, or if your application for funding is unsuccessful.
- More information about the costs incurred by international students are available on the University website's International Student pages, and on the UKCISA site.
- Fees are payable at enrolment and are usually subject to a rise each year.

Section 10: Terms and Conditions

- When submitting an application you must agree to the University's terms and conditions as set out in the Research Degree regulations. Please read them carefully.

Once received, your application will be downloaded by the Graduate School and reviewed prior to passing to the academic department. Should any documents be

missing you will be contacted via email, by the Graduate School. If you do not include the name of a member of academic staff with whom you have discussed your proposal, you will be contacted and asked to do so. Contact us if you need help with this: pgresearch@roehampton.ac.uk

Thank you and good luck with your application.
