

The University of Roehampton has one of the most diverse international student populations among its peers with representatives from over 140 countries around the world. Of the 10,000 total students, approximately 13% are identified as international students. The University warmly welcomes a healthy cohort of Indian students each year.

## Scholarships

---

We want to help as many students as possible enjoy the opportunities at Roehampton. That's why, every year, we offer scholarships to talented students at both undergraduate and postgraduate level. The university has a number of scholarships ranging from tuition fee discounts and accommodation subsidies to awards for overseas research and music or sporting excellence.

<sup>1</sup>In the Complete University Guide 2018, Roehampton is the highest-ranked modern university in London. Modern, or new, universities are defined as those granted university status post-1992. Complete University Guide does not itself define modern universities and does not produce a separate league table in which these are ranked) <sup>2</sup>2014 Research Excellence Framework

## Partnerships

---

University of Roehampton is a proud partner of KR Mangalam Institute of Management, Delhi. The nature of the partnerships is that of progression pathways for Indian students to study part of their undergraduate degree or MBA at Roehampton.

## Employability

---

Roehampton has come out top among its peers for employability and boasts over 90% of students are employed or in further study within 6 months of graduation.

## Work Experience

---

International students in the UK on a Tier 4 visa have the right to work up to 20 hours per week during term time and up to 40 hours per week during holidays.

## Meet us in your country

---

University of Roehampton staff make frequent visits to India to attend education exhibitions and to meet students at agent offices. Contact us for more information about agents in your area.

“  
*The University of Roehampton has played a vital role in bringing out the best in me. All the professors have been very helpful and were always happy to share their knowledge. The campus has a great atmosphere with students from different cultures, which helps one to learn a lot more about oneself.* – Smita Mudda, MBA ”
