

Eduroam: Information for Visitors to the University of Roehampton from other institutions

The eduroam Wi-Fi network is available across all campuses at the University of Roehampton. Wired eduroam access, the ability to logon to a University managed PC, is not currently available.

- Ensure that you are a member of a participating institution. Details of participating institutions are available at: <https://www.ja.net/products-services/janet-connect/eduroam/eduroam-participating>.
- Eduroam is available worldwide: <https://www.eduroam.org/>
- Roehampton supports JRS Tier 2 and you will be able to connect using the SSID *eduroam*
- **The set-up and preparation for using the eduroam service should be done before your visit Roehampton. Please contact your home organization IT support department for advice.**

Connection settings

Network name/SSID	eduroam (case sensitive)
Security type	WPA2-Enterprise/802.1x
